

This image shows three views of a black flexible exhaust hose. The top view is a side profile of the hose, which is curved and has two metal clamps at the ends. The bottom-left view is a top-down perspective of one end of the hose, showing the metal clamp and the circular opening. The bottom-right view is a side profile of the other end of the hose, also showing the metal clamp and the circular opening.

Nome Do Produto	Turbo Hortumu
